

CAPE TOWN  
**HEALTH & SKINCARE**  
ACADEMY

**PROSPECTUS 2026**

Become the Architect  
of Your Own  
Destiny

At Cape Town Health & Skincare Academy, we're proud to be a leading higher education institution dedicated to providing a comprehensive and enriching learning experience. Our mission is to help you succeed academically and in your future career within the health and skincare industry. Each of our courses is thoughtfully crafted to challenge, inspire and equip you with the essential knowledge and skills needed to excel in the ever-evolving world of health and skincare.

If you have a passion for beauty and enjoy helping others feel confident and rejuvenated, Cape Town Health & Skincare Academy is the perfect place for you. There's nothing more rewarding than seeing the joy on someone's face when you enhance their natural beauty, assist them in overcoming a skin condition or provide therapeutic care that leaves them feeling revitalised and stress-free.

I hope you find this prospectus both informative and inspiring and that it encourages you to envision yourself as an entrepreneur in the wellness industry.

**Joké Liebenberg**  
CEO

# We offer professional training and expertise to equip you for a successful career in Health & Skincare Therapy

## OUR DEDICATION

We strive to deliver a **curriculum that blends theoretical knowledge with hands-on experience**, ensuring our learners are well-prepared to excel in the dynamic world of beauty and wellness. We are dedicated to fostering an **environment that encourages creativity and innovation**, empowering our learners to defy the status quo and develop unique approaches to skincare and wellness. By emphasizing the importance of professionalism, we ensure **our graduates uphold the highest standards of ethics and customer care**, making them desirable professionals in the field.

## SAAHSP

SOUTH AFRICAN ASSOCIATION OF  
HEALTH & SKINCARE PROFESSIONALS

## Full-Time Courses

### DURATION

18 Months Completion - NQF Level 4 (158 Credits)

Instruction Language: English

### ENTRY REQUIREMENTS

NQF Level 3 with Mathematical Literacy

## National Occupational Certificate: Beauty Therapist

### Shape Your Future in the Beauty Industry

In today's fast-changing world, young South Africans have the opportunity – and the responsibility – to take charge of their own professional growth. The National Occupational Certificate: Beauty Therapist, empowers you to become a confident, skilled, and entrepreneurial professional within the health and skincare industry. This qualification opens the door for you to build a sustainable career, contribute to your community, and pursue further specialisation within the beauty and wellness sector.

Our programme is designed to:

- Equip learners with the theoretical knowledge and practical competencies required to perform a wide range of professional beauty therapy treatments in line with QCTO occupational standards.
- Promote personal growth, grace, and healthy self-confidence through the development of professional ethics, client care, and self-awareness.
- Develop entrepreneurial and business management skills to prepare learners to operate successfully in the open market – whether as employees, salon managers, or independent business owners.

### ACCREDITATION

# Study Progression Options Available

## Programme Pathways

All students enroll for the QCTO Level 4 National Certificate: Beauty Therapist and complete their first year of studies.

From there, students have two progression options:

### Option 1:

Complete the first year and obtain the ITEC Beauty Specialist Diploma (60% Pass Rate Required).

Students then continue with their workplace modules in our Student Clinic for the remaining six months of the course, where they gain valuable practical experience and earn commission for the treatments they perform.

Students will only be awarded the QCTO NQF Level 4 National Certificate: Beauty Therapist after the successful completion of the final QCTO examination.

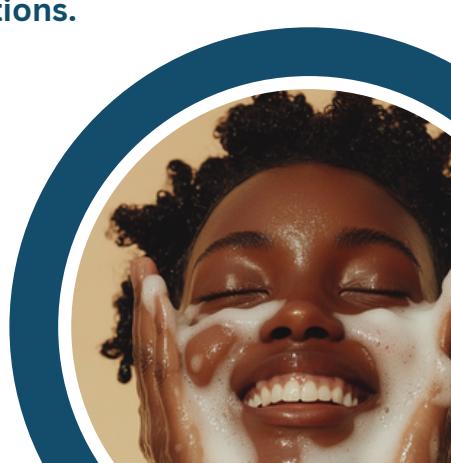

### Option 2:

Complete the first year and progress to Year 2, allowing students to achieve the following qualifications:

- CIDESCO Beauty Therapy Diploma (70% Pass Rate Required)
- ITEC Diploma in Health & Skincare (60% Pass Rate Required)
- National Diploma in Health & Skincare (NQF Level 5) (70% Pass Rate Required)

Progression to Year 2 is subject to a review of each student's academic performance and financial position, ensuring that they are both academically and financially prepared to manage the increased workload and additional subjects introduced in the second year.

**These flexible progression pathways allow students to exit the programme at a time that best suits their personal goals, budget, and learning capacity, while still gaining both national and international qualifications.**

## Full-Time Courses

### DURATION

2 Years

1 Year Completion - NQF Level 4 (158 Credits)

2 Year Completion - NQF LEVEL 5 (266 Credits)

SAQA aligned to NQF 4 (A-Levels)

## NATIONAL DIPLOMA IN HEALTH & SKINCARE

Young South Africans are now facing an unprecedented urgency to take the reins of their own career paths. The Diploma in Health & Skincare offers you the chance to become the architect of your own destiny. In response to the critical demand for these opportunities, we aim to address the gap by offering professional training and expertise.

- To provide effective training in both theory and practice which will equip LEARNERS for a career in Health and Skin Care.
- To promote grace and healthy self confidence in our LEARNERS.
- To develop entrepreneurial skills to enable LEARNERS to meet the challenges of the open market.
- To include a work ethic to provide a pathway for further studies
- To reach out to communities by assisting them in their programs for promoting Health and Skin Care

# CERTIFICATE IN ACCESS TO AESTHETICS THERAPIES

The ITEC Certificate of Access in Aesthetics is an internationally recognized qualification designed to provide students with a solid foundation in aesthetic treatments. This program is perfect for individuals who are passionate about beauty and skincare and wish to begin their journey in the aesthetics industry.

It covers essential topics such as skin analysis, facial treatments, basic electrical modalities, and client care, ensuring students gain both theoretical knowledge and practical skills. With a strong emphasis on professionalism and industry standards, this certificate equips graduates with the confidence and competence to work in beauty clinics, spas, or aesthetic practices, or to progress to advanced courses in aesthetics.
